CROATIAN CARIBBEAN
YACHT CHARTER

Dear friends, lovers of sailing and the sea,

For the ninth time, the Split city harbour has been the stage of the spectacular Croatia Boat Show, the largest and most impressive nautical event in Southeast Europe. From April 14th to 22nd 2007 this unique setting met thousands of visitors and exhibitors, most beautiful high-tech yachts of today, various nautical gear and equipment, as well as clothes and accessories makers. The 2007 Show saw participants from 17 countries, exhibiting more than 1300 brands on 120,000 sq. m. , while thousands of visitors took the chance to admire 271 vessels exposed in the waters of the magnificent Split city harbour and 154 more on the shore, along with a vast array of other related goods and sports accessories - in other words, everything one needs to fully appreciate a stay in the greatest waters in the world during the greatest season: summer in the Adriatic...

Let me also mention that Croatian Caribbean Yacht Charter is our new company for luxury charter which has almost instantly set itself apart from the entire Croatian competition, both by its marvellous fleet and highest level of service quality, having caught the eye of many international brokers. CCYC has a fleet of finest luxury yachts - Tecnomar Velvet 35, Ferretti 780, Fairline Targa 62 and Tecnomar Madras 20 - ready to welcome anyone looking for top-quality charter services in the Adriatic, in the summer, and the Caribbean, during winter months.

We are very pleased that exceptional and original exhibition 'Luxury, please' was presented with its luxury philosophy and luxury experience for the first time in Split this year. We would like to announce that 'Luxury, please' has become our new partner and we are looking forward to successful cooperation with this unique world of luxury.

As about us, we can promise you another successful edition of the Split boat fair as a maritime luxury show that has reached 6th place among the top ten nautical events in the world, statistics was made by the International Federation of Boat Show Organisers - and that, we're proud to say - fulfills even those wishes of nautical fans they didn't know they had.

On behalf of the organizer - the Split based Profectus company - I wish you warm welcome at the next year's Show which will be held from 5th to 13th of April, and remind you that this year's fair has brought together some of the most important names and institutions in the international and Croatian nautical industry.

Welcome to the Croatia Boat Show to our wonderful city of Split and sunny Dalmatia.
